

RECRUITING DENTIST FOR HEALTHY SMILES ORAL HEALTH CENTER

With strong support from the community, the Center will serve the uninsured and the insured and offer sliding fee options. We will staff prior to an anticipated January 2010 opening.

This is a salaried position with incentive compensation and standard benefits.

Advantages of working for our Community Health Center include:

- Potential for Federal Loan Repayment
- Professional liability coverage
- Opportunity for professional collaboration with SCHC's multi-disciplinary clinicians
- Participation in a system offering a comprehensive approach to health care
- Opportunity to serve as a clinical preceptor

Located in the northern Shenandoah Valley, Martinsburg, WV is a dynamic and growing community only 90 minutes from Washington and Baltimore. The area is rich in cultural, historic and recreational resources. **Visit our website at www.svms.net**
